451

"The fact that: The house of Rothschild made its money in the great crashes of history and the great wars of history, the very periods when others lost their money, is beyond question." (E.C. Knuth, The Empire of the City)

452

"The ruin of the peasants in these provinces are the Zhids ['kikes']. They are full- fledged leeches sucking up these unfortunate provinces to the point of exhaustion." (Nikolai I, Tsar of Russia from 1825 to 1855, in his diaries)

453

"John Booth, a Jewish silversmith whose ancestors had been exiled from Portugal because of their radical political views. In London the refugees had continued their trade and free thinking, and John had married Wilkes' cousin. This Wilkes was the 'celebrated agitator John Wilkes of Westminster, London...John Wilkes Booth's father was Junius Brutus Booth." (The Mad Booths of Maryland)

454

"Under this roof are the heads of the family of Rothschild -- a name famous in every capital of Europe and every division of the globe. If you like, we shall divide the United States into two parts, one for you, James [Rothschild], and one for you, Lionel [Rothschild]. Napoleon will do exactly and all that I shall advise him." (Reported to have been the comments of Disraeli at the marriage of Lionel Rothschild's daughter, Leonora, to her cousin, Alphonse, son of James Rothschild of Paris).

455

"Slavery is likely to be abolished by the war power and chattel slavery destroyed. This, I and my [Jewish] European friends are glad of, for slavery is but the owning of labor and carries with it the care of the laborers, while the European plan, led by England, is that capital shall control labor by controlling wages. This can be done by controlling the money. The great debt that capitalists will see to it is made out of the war, must be used as a means to control the volume of money. To accomplish this, the bonds must

be used as a banking basis. We are now awaiting for the Secretary of the Treasury to make his recommendation to Congress. It will not do to allow the greenback, as it is called, to circulate as money any length of time, as we cannot control that." (Hazard Circular, issued by the Rothschild controlled Bank of England, 1862)

456

"We intend to remake the Gentiles -- what the Communists are doing in Russia." (Rabbi Lewish Brown in How Odd of God, New York, 1 924)

457

"The responsibility for the last World War [WW I] rests solely upon the shoulders of the international financiers. It is upon them that rests the blood of millions of dead and millions of dying." (Congressional Record, 67th Congress, 4th Session, Senate Document No. 346)

458

"Now, in answer to the question would we use force in the Middle East. I don't know...I hope not. We have no plans to, it is conceivable, I guess. It would be almost as bad as the seven days in May. You conjure up a situation where there is another oil embargo, and the people in this country are not only inconvenienced and uncomfortable, but suffer." (General George S. Brown)

459

"The Jews are the most hateful and the most shameful of the small nations." (Voltaire, God and His Men)

460

"How then was it that this Government [American], several years after the war was over, found itself owing in London and Wall Street several hundred million dollars to men who never fought a battle, who never made a uniform, never furnished a pound of bread, who never did an honest day's work in all their lives?...The facts is, that billions owned by the sweat, tears and blood of American laborers have been poured into the coffers of these men for absolutely nothing. This 'sacred war debt' was only a gigantic scheme of fraud, concocted by European capitalists and enacted into American laws by the aid of American Congressmen, who were their paid hirelings or their ignorant dupes. That this crime has remained uncovered is due to the power of prejudice which seldom permits the victim to see clearly or reason correctly: 'The money power prolongs its reign by working on prejudices. 'Lincoln said.'" (Mary E. Hobard, The Secrets of the Rothschilds).

461

"If this mischievous financial policy [the United States Government issuing interest-free and debt-free money] which had its origin in the North American Republic during the war (1861-65) should become indurated down to a fixture, then that Government will furnish its money without cost. It will pay off its debts and be without a debt. It will have all the money necessary to carry on its commerce. It will become prosperous beyond precedent in the history of civilized governments of the world. The brains and the wealth of all countries will go to North America. That government must be destroyed or it will destroy every Monarch on the globe!" (London Times Editorial, 1865)

462

"Mrs. Van Hyning, I am surprised at your surprise. You are a student of history -- and you know that both the Borgias and the Mediciis are Jewish families of Italy. Surely you know that there have been Popes from both of these house. Perhaps it will surprise you to know that we have had 20 Jewish Popes, and when you have sufficient time, which may coincide with my free time, I can show you these names and dates. You will learn from these that: The crimes committed in the name of the Catholic Church were under Jewish Popes. The leaders of the inquisition was one, de Torquemada, a Jew." (Woman's Voice, November 25, 1953)

463

"2.2 billion worth of military equipment had been stripped from U.S. Forces in West Germany and America and shipped to Israel in an unprecedented day and night airlift." (General George S. Brown, Chairman of the U.S. Joint Chiefs of Staff and top American military leader, made the statement at Duke University in November 1974).

464

"It seems to me, when I consider the power of that entombed gold and the pattern of events...that there are great, organized forces in the world, which are spread over many countries but work in unison to achieve power over mankind through chaos. They seem to me to see, first and foremost, the destruction of Christianity, Nationhood and Liberty...that was 'the design' which Lord Acton perceived behind the first of the tumults, the French Revolution, and it has become clearer with later tumults and growing success. This process does not appear to me a natural or inevitable one, but a man-made one which follows definite rules of conspiratorial action. I believe there is an organization behind it of long standing, and that the great successes which have been achieved are mainly due to the efficiency with which this has been kept concealed." (Smoke to Smother, page 315)

465

"Very odd things are happening in Israel. Our observers were struck with the peculiar attitude of those travelling to Zion after the war. They seemed to see some strange sign which they could not help following at whatever cost. We

heard this over and over again. These strange people saw something."
(Review of World Affairs)

466

"We told the authorities in London; we shall be in Palestine whether you want us there or not. You may speed up or slow down our coming, but it would be better for you to help us, otherwise our constructive force will turn into a destructive one that will bring about ferment in the entire world."
(Judische Rundschau, #4, 1920, Germany, by Chaim Weismann, a Zionist leader)

467

"No sooner was the President's statement made...than a Jewish deputation came down from New York and in two days 'fixed' the two houses [of Congress] so that the President had to renounce the idea." (As recorded by Sir Harold Spring-Rice, former British Ambassador to the U.S. in reference to a proposed treaty with Czarist Russia, favored by the President)

468

"[The world] forgets, in its ignorance and narrowness of heart, that when we sink, we become a revolutionary proletariat, the subordinate officers of the revolutionary party; when we rise, there rises also the terrible power of the purse." (The Jewish State, New York, 1917)

469

"I am afraid the ordinary citizen will not like to be told that the banks can, and do, create money...And they who control the credit of the nation direct the policy of Governments and hold in the hollow of their hands the destiny of the people." (Reginald McKenna, former Chancellor of the Exchequer, January 24, 1924)

470

"We are living in a highly organized state of socialism. The state is all; the individual is of importance only as he contributes to the welfare of the state. His property is only his as the state does not need it. He must hold his life and his possessions at the call of the state." (Bernard M. Baruch, The Knickerbocker Press, Albany, N.Y. August 8, 1918)

471

"The Bolshevik revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissatisfaction and by Jewish planning, shall also, through the same Jewish mental and physical forces,

become a reality all over the world." (The American Hebrew, September 10, 1920)

472

"Bolshevism is a religion and a faith. How could those half-converted believers dream to vanquish the 'Truthful' and the 'Faithful of their own creed, those holy crusaders, who had gathered around the Red standard of the prophet Karl Marx, and who fought under the daring guidance of those experienced officers of all latter-day revolutions -- the Jews?" (Dr. Oscar Levy, Preface to the World Significance of the Russian Revolution by George Pitt-Rivers, 1920)

473

"Let us recognize that we Jews are a distinct nationality of which every Jew, whatever his country, his station, or shade of belief, is necessarily a member. Organize, organize, until every Jew must stand up and be counted with us, or prove himself wittingly or unwittingly, of the few who are against their own people." (Louis B. Brandeis, Supreme Court Justice, 1916-1939)

"Ma'aser is the tenth part of tithe of his capital and income which every Jew has naturally been obligated over the generations of their history to give for the benefit of Jewish movements...The tithe principle has been accepted in its most stringent form. The Zionist Congress declared it as the absolute duty of every Zionist to pay tithes to the Ma'aser. It added that those Zionists who failed to do so, should be deprived of their offices and honorary positions." (Encyclopedia Judaica)

476

"The Jewish people as a whole will be its own Messiah. It will attain world dominion by the dissolution of other races, by the abolition of frontiers, the annihilation of monarchy, and by the establishment of a world republic in which the Jews will everywhere exercise the privilege of citizenship. In this new world order the Children of Israel will furnish all the leaders without encountering opposition. The Governments of the different peoples forming the world republic will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property, and everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled, in which is said that when the Messianic time is come the Jews will have all the property of the whole world in their hands." (Baruch Levy, Letter to Karl Marx, La Revue de Paris, p. 54, June 1, 1928)

477

"Only recently our race has given the world a new prophet, but he has two faces and bears two names; on the one side his name is Rothschild, leader of all capitalists, and on the other Karl Marx, the apostle of those who want to destroy the other." (Blumenthal, Judisk Tidskrift, No. 57, Sweeden, 1929)

478

"Alchemy for a New World Order" (Article by Stephen John Stedman in Foreign Affairs (May/June 1995)).

479

"I probably had more power during the war than any other man in the war; doubtless that is true." (The International Jew, Commissioned by Henry Ford, speaking of the Jew Benard Baruch, a quasi-official dictator during WW I).

480

"Our movement is growing rapidly...I have spent the sum given to me for the up building of my party and I must find new revenue within a reasonable period." (Jews, The Power Behind The Throne! A letter from Hitler to his Wall Street promoters on October 29, 1929, p. 43)

"The Zionist Organization is a body unique in character, with practically all the functions and duties of a government, but deriving its strength and resources not from one territory but from some seventy-two different countries...The supreme government is in the hands of the Zionist Congress, composed of over 200 delegates, representing shekel-payers of all countries. Congress meets once every two years. Its [supreme government] powers between sessions are then delegated to the Committee [Sanhedrin]." "If the tide of history does not turn toward Communist Internationalism then the Jewish race is doomed." (George Marlen, Stalin, Trotsky, or Lenin, p. 414, New York, 1937)

487

"Marxism, you say, is the bitterest opponent of capitalism, which is sacred to us. For the simple reason that they are opposite poles, they deliver over to us the two poles of the earth and permit us to be its axis. These two opposites, Bolshevism and ourselves, find ourselves identified in the Internationale. And these two opposites, the doctrine of the two poles of society, meet in their unity of purpose, the renewal of the world from above by the control of wealth, and from below by revolution." (Quotation from a Jewish banker by the Comte de Saint-Aulaire in Geneve contre la Paix Libraire Plan, Paris, 1936)

488

"The present program of palliative relief must give way to a program of fundamental reconstruction. American democracy must be socialized by subjecting industrial production and distribution to the will of the People's Congress. The first step is to abolish the federal veto and to enlarge the express powers of the national government through immediate constitutional amendment. A gradual march in the direction of socialization will follow." (Rabbi Victor Eppstein, Opinion April, 1937)

489

"Arrangements have been completed with the National Council of Churches whereby the American Jewish Congress and the Anti-Defamation League will jointly...aid in the preparation of lesson materials, study guides and visual aides...sponsored by Protestant organizations." "There had been observed in this country certain streams of influence which are causing a marked deterioration in our literature, amusements, and social conduct...a nasty Orientalism which had insidiously affected every channel of expression...The fact that these influences are all traceable to one racial source [Judaism] is something to be reckoned with...Our opposition is only in ideas, false ideas, which are sapping the moral stamina of the people."
(My Life and Work, by Henry Ford)

491

492

"We are not denying and are not afraid to confess. This war is our war and that it is waged for the liberation of Jewry...Stronger than all fronts together is our front, that of Jewry. We are not only giving this war our financial support on which the entire war production is based, we are not only providing our full propaganda power which is the moral energy that keeps this war going. The guarantee of victory is predominantly based on weakening the enemy, forces, on destroying them in their own country, within the resistance. And we are the Trojan Horses in the enemy's fortress. thousands of Jews living in Europe constitute the principal factor in the destruction of our enemy. There, our front is a fact and the most valuable aid for victory." (Chaim Weizmann, President of the World Jewish Congress, in a speech on December 3, 1942, New York City)

493

"The modern Socialist movement is in great part the work of the Jews, who impress on it the mark of their brains; it was they who took a preponderant part in the directing of the first Socialist Republic...The present world Socialism forms the first step of the accomplishment of Mosaism, the start of the realization of the future state of the world announced by our prophets. It is not till there shall be a League of Nations; it is not till its Allied Armies shall be employed in an effective manner for the protection of the feeble that we can hope that the Jews will be able to develop, without impediment in Palestine, their national State; and equally it is only a League of Nations penetrated with the Socialist spirit that will render possible for us the enjoyment of our international necessities, as well as our national ones..."

The English writer Frances Trollope estimated that at least 200,000 English children were "snatched away" to factories, "...taken and lodged amid stench, and stunning, terrifying tumult; driven to and fro until their little limbs bend under them...the repose of a moment to be purchased only by yielding their tender bodies to the fist, the heel or the strap of the overlooker (overseer)." (Chattel Slavery and Wage Slaver, Marcus Cunliffe, p. 73).

496

497

"When the conspirators get ready to take over the United States they will use fluoridated water and vaccines to change people's attitudes and loyalties and make them docile, apathetic, unconcerned and groggy. According to their own writings and the means they have already confessedly employed, the conspirators have deliberately planned and developed methods to mentally deteriorate, morally debase, and completely enslave the masses. They will prepare vaccines containing drugs that will completely change people. Secret Communist plans for conquering America were adopted in 1914 and published in 1953. These plans called for compulsory vaccination with vaccines containing change agent drugs. They also plan on using disease germs, fluoridation and vaccinations to weaken the people and reduce the population." (Impact of Science on Society, by Bertrand Russell)

"We are one people despite the ostensible rifts, cracks, and differences between the American and Soviet democracies. We are one people and it is not in our interests that the West should liberate the East, for in doing this and in liberating the enslaved nations, the West would inevitably deprive Jewry of the Eastern half of its world power." (Chaim Weismann, World Conquerors, p, 227, by Louis Marshalko)
